The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

Fixation of Pay

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale, provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. (3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Money orders cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a gazetted officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale, provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission.

(1) A certificate from the Headmistress of the School, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee.

Candidates abroad may deposit their application fees with the High Commissioner of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a gazetted officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendation from persons interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment subject up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 12 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For Outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 5th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence involving moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission:

(1) A certificate from the Headmistress of the School, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para.(1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

For a gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from person interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

Regional Director, National Savings (Government of India), West Bengal

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission:

(1) A certificate from the Headmistress of the School, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para (1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

For a gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from person interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For Outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their suitable character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission:

(1) A certificate from the Headmistress of the School, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para.(1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

For a gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from persons interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Castes/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien in any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer,

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission:

(1) A certificate from the Headmistress of the School, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para. (1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

For a gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from persons interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form The application fee should in such cases be attached to the advance copy and not to the original The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission:

(1) A certificate from the Headmistress of the School, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para.(1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

For a gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from person interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For Outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission:

(1) A certificate from the Headmistress of the School which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Orders, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para.(1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

For a gazetted post, an indigent displaced person shall in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from person interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission:

(1) A certificate from the Headmistress of the School, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para (1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

For a gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from person interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are hubmitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.
